

Rainy River District Transportation Services Consortium

The Rainy River District Transportation Services Consortium would like to welcome back students, parents & staff for the 2017/2018 school year. As we begin a new school year, we remind all students and parents to be aware of safety procedures around school buses.

ALLERGIES & FOOD RESTRICTIONS

Minimizing Health Risks for Students with Life Threatening Food Allergies

Food allergies can be life threatening. The risk of accidental exposure to foods can be reduced if we all work together to minimize risk and take measures to provide a safe environment for food-allergic students.

Buses are a "NO FOOD ZONE". The buses transport students with food allergy restrictions and it is critical that we have everyone's compliance to make sure the buses are kept clean & food free to minimize everyone's risk.

STUDENT TRANSPORTATION CHANGE FORM

All changes to student transportation must be done on a Student Transportation Change Form (F11) and returned to your child's school. No changes will be accepted by any other method. A Student Transportation Change Form can be found on our website under the 'Forms' section. Please make sure that all information is filled out correctly before sending in . Once the change is approved, the information will be sent back to the school within 3 business days.

JOINT TRANSPORTATION POLICIES & PROCEDURES

Please take a few minutes to review the Joint Policy & Procedures found on our website @ <http://rrdtsc.rrdsb.com/>
